

Marina Punat Hotel & Resort ^{★★★★}

Island Krk, Croatia

& the **TOP 10** Things to See on the Island of Krk

Hotel Kanajt is a beautiful residence far from crowds and noise. It is the ideal destination for yachtsmen, nature and sea lovers, athletic types and all those who enjoy active vacations. The hotel offers 21 rooms of unique high quality design, 1 junior suite and 4 luxury stone houses. Start your morning off with the scents of various domestic and continental dishes served on a rich buffet table.

There are facilities necessary for an active vacation next to the hotel, such as: a 100m² heated outdoor swimming pool with sea water, wellness (4 saunas, an experience shower, a jacuzzi), a private beach (+free transport to the beach, + free lounge chairs and sun umbrellas), a children's playground, small houses, a garden with fragrant herbs...

Hotel Kanajt

1. Safely tie your boat in the oldest marina on the Adriatic - Marina Punat

Marina Punat is the ideal choice for all those who are searching for a safe, organized and easily accessible marina. You have the entire marina offer at your disposal (sea/land berths, vessel hoisting and lowering, transit, charter, service...)

www.marina-punat.hr

2. Take a swim in the crystal clear sea on a secluded beach

Many small coves and beaches are “hiding” between Punat and Stara Baška and can be accessed only from the sea. Take advantage of the opportunity, find your cove and go for a swim!

Order a taxi boat in the hotel, 10% discount on all excursions and a free transfer to the Island of Košljun (when you make an excursion reservation)
HRK 80 / person for transfer to the beach
or at <http://www.more-punat.com/>

3. Beautiful pebble beach in Baška

Baška is one of the trump cards of the Island of Krk thanks to Vela Plaža (Big Beach), the pearl of Kvarner with a length of almost two kilometers. The beach offers a great selection of additional content so that everyone can find something to suit their interests.

Košljun

4. Culture

The 3000 years of history and culture of the Island of Krk are difficult to put in just a few suggestions. However, to start:

- ▶ Take a taxi boat to the Island of Košljun and discover the cultural and natural wealth of the Franciscan monastery and several very interesting museum collections.
- ▶ The Glagolitic Pathway along the Valley of Baška will take you to Baška, but make a stop at the village of Jurandvor along the way and visit the Church of St. Lucy, home to the Croatian literacy monument – the Baška tablet.
- ▶ Take a stroll through the heart of the ancient City of Krk, across the Kamplin Square, visit the Krk Cathedral...! The City of Krk is the administrative and cultural center of the island.

5. Vrbnik – taste the local wine of the Island of Krk - Žlahtina

The people of Vrbnik created their settlement on top of a cliff 48 meters high and they somehow managed to fit every passageway, step and house throughout centuries into the harmonious unit of Vrbnik we see today.

You do not have to use words for Vrbnik, you have to experience it. Find the narrowest street in the world and make sure you taste the renowned local wine of the Island of Krk - Vrbnik žlahtina.
